Kameoka Beef

Where you can eat: Beef Restaurant Gyuraku, Kiso seiniku ten, Tawawa Asagiri

Farmers of Kameoka beef breed cattle two or six months longer than other brand cattle to mature. There is a temperature difference of more than 35 °C between summer and winter in Kameoka city which is tough climate for cattle. This climate tones up the beef and makes it superior taste.

- 【Definition of Kameoka Beef】
1. Japanese Black Cattle
 2. Fattened more than 14 months in Kameoka city before slaughter.
 3. Slaughtered at Kameoka-shi shokuniku center.
 4. Certified by Kameoka beef edaniku shinko kyougikai.

Days of Operation: March 1-Operation December 29
Out of Service: Wednesdays (However, trains do run on Wednesdays that fall on national holidays, during school spring vacation, Golden Week school summer vacation and autumn leaf viewing season.)
